

Invites Public To Discussion Of School Plans

A discussion of the plans for the proposed new Mokena school in which the citizens are invited to participate is scheduled for next Wednesday night, April 4.

The meeting is to be held at the grade school and is scheduled to begin at 8 o'clock. It is called by the school board to acquaint the public with what has been done to date and to answer any question that may arise.

Preliminary drawings will be shown by the architects, A. J. Joliet architectural firm, Kruegel, Wilkins, Healy and Moore, has been retained to draw plans for the school and one of the firm, Watson A. Healy, will be on hand Wednesday night to answer questions.

The present school is outgrown with the result that classes are being held in the educational building of the Methodist church and in the combination auditorium-gymnasium. Board members say that from the information they have been able to obtain from experts, the population of the district will continue to grow and that it is time to start building now before the crowded conditions at the school become worse.

The citizens of the district will have an opportunity to vote on the various questions involved at the regular school election April 14, but in the meantime they will have a chance to express their opinions at the meeting set for next Wednesday.

There will be three propositions on the ballot April 14. One is concerned with the location and purchase of a site for the proposed new school; one is the authorization of a bond issue of \$100,000 to purchase the site and build the school, and one is to cover the proposed sale of the old school property at Front st. and School House road.

The board has an option on the proposed new site, a 10-acre tract on what would be a continuation of Second st., about 300 feet west of Wolf rd.

The voters will go to ballot on candidates for the board. There are to be elected and there are three candidates. Hans W. Mueller and Edwin Yunker are seeking reelection to 3-year terms. James W. Stewart is a candidate to fill the unexpired term of Thomas Powers, who has moved out of the district. Powers had two more years in office.

Lincoln-Way to Have 16 Entries In Music Meet

Lincoln-Way high school will be represented by 16 soloists and ensembles in instrumental and vocal, in the state contest May 4 and 5 at DeKalb this year as a result of the district competitions at Oak Lawn high school last Saturday. There were 26 entries from the school.

Excellent ratings were won by Kay Seltzer, girl's high voice; James Warning, b-flat clarinet; James Stauffenberg, baritone saxophone; Everett Long, cornet; Larry Phifer, baritone horn; Laverne Ulrich, tympani; Rudy Guzik, piano and a mixed clarinet quartet.

Good ratings went to Roland Jedlich, b-flat clarinet and David McGuire, piano.

Superior ratings enable the soloists and ensembles to compete in the state contest May 4 and 5 at the Northern Illinois Teachers college at DeKalb.

Church Bells to Sound in Joyous Welcome to Easter

Church bells will sound joyous peals in welcome of Easter this Sunday.

Special services will be held here and throughout the Christian world, proclaiming again that Christ has risen from the tomb and that all who believe in Him will have eternal life.

This promise is given in the Gospels of the New Testament. The word "gospel" tells it all, for the meaning of "gospel" is "good news," and the promise of eternal life has been, and always will be, good news to mankind.

Easter is thus the joyous climax to a week that began with Palm Sunday, is marked with the commemoration of the first eucharist today, Maundy or Holy Thursday, Good Friday rites tomorrow, and the preparation Saturday for the celebration of Easter on Sunday.

Lent ends at midnight on Saturday and in the Roman Catholic churches there will be midnight masses Saturday night. Communion can also be taken tomorrow in the Roman churches.

Practically all churches in the area are having services tonight and will have either afternoon or evening—mostly evening—services tomorrow. St. Peter's Evangelical and Reformed church of Frankfort and the Methodist churches of Frankfort and Green Garden are to hold joint 3-hour services tomorrow afternoon from noon to 3 o'clock at St. Peter's.

There also will be 3-hour services from noon to 3 o'clock at the Rialto theater in Joliet under the auspices of the Will County Ministerial association.

It is a custom of many years standing and is attended by many persons from this area.

At St. Mary's church in Mokena there will be services tonight at 8 o'clock and tomorrow afternoon at 3:00 with a mid-night mass on the eve of Easter, beginning at 11 o'clock. Masses on Easter Sunday are scheduled for 8 and 10:30 a.m.

Services are to be held at New Lenox, Tinley Park and Palos Park, Frankfort and Mokena, on Easter.

At New Lenox the service will be at the Methodist church at 6:30 o'clock to be followed by a breakfast. This service is to be given under the direction of the Methodist Youth Fellowship. William McCormick, a student at Lincoln-Way high school is to be the speaker.

The sunrise service at Tinley Park also is scheduled for 6:30 o'clock, at the Church of Christ under the auspices of the Youth of the church. The Resurrection story is to be told in narrative and Scriptures. Participants will be Wayne Bussian, Barbara Wilson, Warren Bussian, Ronald Elmore, Susan Marbach, Donna Larson and Jim James. The speaker will be Richard Bussian. The girls choir will sing. Light refreshments will follow the service.

Bible school and church services will be held at the regular times.

At Palos Park worshippers will assemble in the lodge of the Community Center Foundation, Southwest Highway and 127th st., at 6:40 o'clock. There will be prelude music by Mrs. Robert Gray of Palos Heights.

Services of preparation and meditation will include music by the Palos Heights Community Methodist church choir, soprano solos by Mrs. Harold Langdon, Palos Park, and the Scripture story and messages on the significance of Easter.

Seven pastors in the Palos Park area will take part in the ceremonies which will be concluded by 8 a.m., so that those attending will have ample time to take part in services at their own churches. Participating pastors in the sunrise service are:

the Rev. Charles E. Gardella, Hickory Hills, the Rev. Paul T. Sanders, Community Center Foundation, the Rev. John W. Dubocq, Palos Park, the Rev. Herbert Noll, Community Methodist, Palos Heights, the Rev. Roger Marzen, Church of the Transfiguration, Palos Park, the Rev. Thomas Chapin, Hickory Hills, Community church, and the Rev. Phillip Muth, Homer Congregational.

Hot cross buns and coffee will

be served in the main lodge to those who have made reservations.

The services will be held out of doors, on a hilltop, weather permitting. If the weather is inclement the entire program will be conducted in the main lodge.

At Frankfort the sunrise service at 6:30 o'clock is to be conducted under the direction of the Senior Methodist Youth Fellowship. The group will present the Easter story as in choral reading recorded in the Gospel of St. Luke. Breakfast will be served afterwards.

The young people of St. John's church, Frankfort, have been conducting the noon services and will also conduct them tomorrow afternoon from 12 to 3. The public is invited.

At St. John's church in Mokena the Sunday School will be closed a wooden cross with live flowers, each pupil bringing one to the program at this time will be a pageant depicting some of the events of the first Easter.

The main service Easter morning is scheduled for 10:45.

At St. John's Lutheran church in Tinley Park Maundy Thursday services tonight will be conducted in German, at 7:30 o'clock, with Holy Communion. There will be services at 7:30 tomorrow night in English and on Easter Sunday there are to be two morning services, one at 9 a.m. in German, and one at 11 a.m. in English. There will also be Holy Communion at this 11 o'clock service.

In Orland Park the Methodist will have a candlelight service tonight at 7:30 o'clock. The choir of members of the church, and their friends, including members of other churches, W. J. MacDowell is directing the choir and Mrs. Glee Curtis will be the pianist. Solos are to be sung by Joan MacDowell, Mrs. Dorothy Larson and Arvid Salfstrom.

Duets are to be sung by Mr. Salfstrom and Mr. MacDowell and Mrs. Drew and Miss MacDowell. The two latter and Mrs. Lucetta Douglas will also sing as a trio.

The regular Easter church service at the Frankfort Methodist church, with special and traditional music, is scheduled for 9:30 o'clock.

There is to be a reception of new members at this service and also for the membership training class.

Noon day services for adults and children of grade school age have been conducted between 12:30 and 12:55 each day this week at the Frankfort Methodist church. The Rev. Ben F. Day, of Frankfort Methodist church, the Rev. John Vautrin, of the Green Garden Methodist church

and the Rev. Erich Bizer of St. Peter's church, Frankfort, have been conducting the noon services and will also conduct them tomorrow afternoon from 12 to 3. The public is invited.

High School Board Asks Public to O.K. Raise in Tax Rates

County Clerk Announces Tax Rate for Frankfort, Mokena, New Lenox and Green Garden

Various Business Houses, Banks To Observe Good Friday

A number of business firms in the area will be closed tomorrow or at least during the afternoon hours of Good Friday to give employees an opportunity to attend the various religious services that will mark the day.

Good Friday is a legal holiday in numerous states, including Illinois. The banks in Mokena, Frankfort and New Lenox will be closed all day, they announced. The bank at Orland, Joseph Hartley, will be used in figuring the 1935 tax bills, which are payable this year. The rate is applied per \$100 of assessed valuation.

Highest rate in the county is applicable in the city of Braidwood the total is \$3.441 per \$100 assessed valuation.

The total rate within the village of Frankfort is \$3.066; Mokena, \$2.569 and in New Lenox, \$3.006. If the assessed valuation of a person's property was \$1,000—just to keep it simple—then all that has to be done to determine the amount of his tax (Continued to Page 2)

Church Raises Building Fund To \$80,000

The Frankfort Methodist church now is engaged in a fund raising canvass to relocate in the community. It has raised the goal. At the second report meeting Monday night the building fund goal of \$80,000 was raised to \$80,000. The victory dinner to celebrate reaching the quota is scheduled for 6:30 tomorrow night in the church.

Canvass committee chairman Wendell Morrison reported Monday that \$54,455 had been received in pledges and that the results of the last two days had been most encouraging. Mr. Morrison said that "if results of this week are as successful as those of the last three days, there is no doubt we will realize the full amount needed to complete the minimum building goal of the church."

Enlarged building facilities are urgently needed to foster an adequate educational program and to accommodate the various activities of the church. The pastor is the Rev. Ben F. Day.

Mr. Morrison said the growth of the Frankfort area has resulted in a Sunday school attendance far beyond the capacity of the present church building. As a result, classes must be held in the kitchen and also in the public school building nearby.

At the Monday report meeting 89 families had not been reached by the soliciting organization and it is hoped these will be reported by March 30. General chairman, Dr. Claude W. Otto, invites all canvassers and their wives to attend the Victory dinner Friday in addition to all other canvass workers with their wives or husbands. The dinner will be at the church at 6:30 p.m. Teams Committee chairman, Albert Swatek, urged all canvassers to complete so many as possible.

Arthur C. Bauch is serving as the Initial Gifts Chairman and Ralph Dralle is the chairman of the Special Gifts committee.

Dr. Claude W. Otto has been chosen to serve as monitoring chairman for the 150 week pledge payment period of the canvass.

Burglars Wreck Interior of Home; Destroys Furnishings

Sheriff's deputies. Stanley Drake and Sherman Davis, are investigating a burglary in Lincoln Estates. The burglars carried off a 22 rifle, the silverware and a set of homemade butcher knives. They also wrecked the interior of the home, breaking and sipping furniture apart.

The home is owned by Mrs. Ruth Richter, who is employed at the state hospital in Manteno and comes home week-ends. She discovered the break in when she came home last weekend.

Neighbors questioned by deputies recalled having seen some boys playing in the vicinity last week.

The 1935 rise in coal exports emphasizes that 90 per cent of all coal shipped from tidewater ports for New England and overseas leaves from Hampton Roads, Va.

Residents of the village of Mokena will pay a lesser tax rate than last year—by four cents but in the village of Frankfort the rate shows an increase of 12 cents. And within the village of New Lenox the rate just established is 64 cents less than the one extended last year. Residents of Green Garden township will pay the same rate they did last year except for those who live within the boundaries of the Manhattan fire district, where it is more. The rate for the fire district, which is in force for the first time this year, is practically 6 cents less.

The rates now being extended at the office of County Clerk, Joseph Hartley, will be used in figuring the 1935 tax bills, which are payable this year. The rate is applied per \$100 of assessed valuation.

The estimated, tentative budget for 1936-37 calls for expenditures of \$237,500 for educational purposes. The total anticipated revenue is \$205,000 which leaves the board facing a deficit of \$32,500.

The total assessed valuation of the Lincoln-Way district is \$27,660,803 according to the most recent figures released by the county clerk's office. This is only about \$200,000 greater than the previous total, and at the present educational tax rate, is not high enough to produce sufficient revenue, it was explained.

The biggest item of expense, of course, is salaries—\$151,000 paid teachers, \$17,000 goes to custodians, \$9,000 for bus drivers and \$15,000 is allotted for general control which includes salaries of the office staff, the treasurer, legal fees and travel expense.

Classroom supplies are put down at \$6,000 for the coming year; school and magazines for the school library at \$2,000; fuel at \$5,000; water, light and power costs are estimated at \$4,000 and janitor supplies at \$3,000.

Maintenance of educational equipment is put in at \$3,000; insurance at \$1,500; new equipment needed, \$10,000 and contingencies at \$2,000.

Figures of the estimated income show the sources and amounts as follows:

State aid	\$ 3,000
Taxes	187,000
Transportation	8,000
Vocational	5,000
Miscellaneous	2,000
TOTAL	\$205,000

Masters Busy With Campaign

State's Attorney Frank H. Masters, Jr. is busy now with his campaign for re-election as prosecutor for Will county on the Republican ticket.

He does not have any opposition in the primary but nevertheless he is visiting voters in behalf of the party as well as his own candidacy.

Masters is running on his record as state's attorney and points to the fact that under his regime organized crime and vice have not gained a foothold in the county.

Masters is a native and life long resident of Will county. He was graduated from Joliet public schools, high school and junior college and the University of Michigan law school. He has been a practicing attorney since 1937.

He is married and is the father of two sons. His father, Frank H. Masters, Sr., was chief engineer of the E&E railroad before his retirement.

Coal moved by barge will be the chief fuel used by electric utility companies now locating along the upper Mississippi River.

Girl Auto Victim Still Unconscious -- Boy to Leave Hospital Soon

The condition of Claire Ryden, 14, daughter of Mr. and Mrs. Carl Ryden of 142 Ash st., New Lenox, who was injured Sunday in an automobile accident on Center rd., seven miles south of Frankfort, is still serious. But the other occupant of the car, Kenneth Olendorf, 17, son of Mr. and Mrs. Edwin Olendorf, Mokena, is improved and he may be released from the hospital within the next few days.

Both are in Silver Cross hospital where they were taken after they had been rescued from drowning after they had been thrown into a deep drainage ditch after their car had plunged off the road and over a 20-foot embankment.

The boy was thrown out of the car and landed face down in about three feet of water and mud. He was unconscious. The girl was pinned in the car and when it landed in the ditch on its top she too was submerged in the water.

Both would have drowned had it not been for a witness to the accident, George Roulea, 29, of 320 Carpenter st., Mokena. Mr. and Mrs. Roulea were traveling

to \$130. Boetto said.

The board also sold four-tenths of an acre from the Hammel Woods parking lot at Troy, to the state for \$4,350. The state wanted the property because of its modernization program for U. S. Route 66.

The amount of money to be raised by taxation next year is \$43,927 which is some \$27,000 greater than the 1935 levy. This is the first time in several years that the board has increased the levy, it was said. Total appropriations for the current fiscal year amount to \$59,225.

Custodians are to get an increase in pay and a superintendent's post, commanding a salary of \$4,800 a year, has been set up. The board also plans to purchase a new truck.

Gov. William Stratton is to be the guest of honor and main speaker at a dinner to be given at Joliet next Thursday night, April 5, under the auspices of the Will County Republican Central Committee.

Other state officials have also been invited and will be given an opportunity to make short talks. U. S. Senator Everett Dirksen and Cong. Noah M. Mason have been invited also.

Will county officials, who are to serve as the reception committee, of which Frank H. Masters, Jr. is the chairman, also will be introduced at the dinner. The banquet is to be served at 6:30 o'clock in the American Le

Lions Plan Flapjack Fiesta

Members of the Mokena Lions club are making plans now for a flapjack fiesta.

According to club president Ray Westlund, the pancake deal is to be an all day affair, with serving from 7 a.m. to 5 p.m., May 12.

It is the hope of the club that this will net them sufficient funds to defray the major portion of their charity and welfare programs.

The committee in charge of the teen-agers car which was being driven by Claire Ryden. Suddenly the car went off the road, traveled a short distance, struck a culvert and plunged over a ditch. The accident occurred near the George Schaefer farm.

Rouleau stopped and ran to the scene. He pulled the boy out of the water and then got north along Center rd., behind the girl out of the car. She too was unconscious. In the meantime Mrs. Rouleau drove to a nearby farm house and summoned help. Dr. Irving Rudman hastened to the scene, and gave first aid until the Gerald Dames ambulance arrived and took the victims to Silver Cross hospital.

The Ryden girl suffered a brain concussion and was still unconscious last night.

The Olendorf boy suffered a fracture of the collar bone and multiple body bruises.

Both are students at Lincoln-Way high school. Claire was driving the car.

State police, who covered the accident credited Rouleau with saving the two young people from drowning.

Horne Advisor, Mrs. Claradehl Upham will discuss Watch your step as Exchequer." Guest of the evening was Mrs. Sidney Fievel.

The Clover Belles 4H group met at the home of Karen Pokorney last week and made plans for the annual Spring Achievement day which will be July 23 in the home of Marjorie Andres. Demonstrations were given by Karen Pokorney, Marjorie Andres and Carol Kimmel. Games were enjoyed as were the refreshments served by Mrs. Pokorney.

The April 9 meeting will be held at the home of Jeanette Darby.

WSCS

The general meeting of the Tinley Park Methodist WSCS will be held April 4 at 1:30 in the church social hall. The conference vice president, Mrs. Walter Lind will be the speaker, with Mrs. Adalbert Rowe conducting the worship service.

Methodist Women from Blue Island, Markham, Oak Forest, and Orland Park have been invited. Election of officers will take place with installation planned for a later date.

Something new is being planned in the form of a baby sitting service at the church, so that mothers of small children may feel free to come and also enjoy the meeting. The Dorcas Circle will be hostesses for the day.

Mr. and Mrs. Wilbert Manzke entertained 35 guests at dinner and supper Sunday in honor of their daughter, Deanne who was confirmed in Trinity Lutheran church.

John Funk returned from Peoria where he had spent a week with his daughter Mr. and Mrs. Douglas Proctor and family. He went down via the new Rocket Jet, however due to mechanical difficulties, the new Jet is under repair and Mr. Funk returned on the "old" Rocket. Many of those traveling on the Jet for the first time felt the ride not as smooth as the old Rocket.

Visitors at the Godwin home Sunday were Mr. and Mrs. Walter Mager and Lucille, sister of Mrs. Mager and Mr. and Mrs. Martin Uthe.

Mr. and Mrs. Albert Ihlenfeld and family of Owatonna, Minn. are guests at the Irwin Hoger home.

The following children received the sacrament of baptism in the Methodist church Sunday with Rev. Glenn Ames officiating:

Thomas Noble, son of Mr. and Mrs. Dean Uter; Debra Ann, daughter of Mr. and Mrs. Howard Meyer; Robert John, son of Mr. and Mrs. Robert Wendt; Darrell Eugene, son of Mr. and Mrs. Loren Kimzey; Wendy Jo, daughter of Mr. and Mrs. Ernest and Pamela Ann, children of Mr. and Mrs. Charles E. Milavovits.

bill is to multiply the rate by 10, since the rate is per \$100 assessed valuation.

The rate one pays, of course, depends upon the place of residence. Village residents pay a village tax which is not imposed on persons living outside its boundaries, and the rate also varies in the different school districts.

A break down for the rate in Frankfort township follows:

Dist. 210 (Lincoln-Way) will have a total tax rate of \$2.152; those living in H. S. Dist. 204 and School Dist. 119, which last named has a rate of .679 cents will pay a total tax rate of \$1.872 while residents of Dist. 119 who live in the Lincoln-Way district will pay a total tax rate of \$2.373; Persons living in School Dist. 121 and H. S. Dist. 210 will pay a grade school rate of .962 cents and a total rate of \$2.66; persons living in School Dist. 122 outside the village limits will have a total tax rate of \$2.673; persons living in Dist. 122 and the Joliet high school district outside New Lenox village will have a total rate of \$2.172; persons living in Dist. 124 and H.S. Dist. 210 will pay a total rate of \$2.351, the grade school rate being .653; the tax rate for

School Dist. 125 is .951 cents so that the total rate there (it is also in H. S. 210) is \$2.613; the tax rate of Dist. 128 which is in H. S. 210— is \$1.232, which makes the total rate \$2.930; the rate for School Dist. 154 is .875, which coupled with the rate for H. S. 210 and the other rates in the township, bring the total there to \$2.573, and in Dist. 212 which is also in Joliet high school district, the grade school rate is .846 so that the total is \$2.043.

Green Garden's rates are quite simple. This township is in a community unit school district and therefore there is but one school tax. As was stated previously, persons in Green Garden, who reside within the boundaries of the Manhattan fire district will have an additional tax to pay.

The county rate was down a cent this year and in Frankfort township the road and bridge rate was cut from 23 cents last year almost six cents. Lincoln-Way high school tax rate was up around two cents. The police protection tax in Frankfort is believed to have been largely responsible for the boost there is the village rate which is about 10 cents more than last year.

Rita Carol Werner of Mokena Weds George G. Wagner, Tinley

At a lovely church setting, Miss Rita Carol Werner, daughter of Mr. and Mrs. Fred P. Werner of Mokena and Mr. George Gehring Wagner, son of Mr. and Mrs. Arthur Wagner of Tinley Park were united in marriage.

The ceremony took place Saturday evening, March 10 at 7 o'clock in the Mokena Methodist church with the pastor, the Rev. E. Dale Kleinschmidt officiating. The double ring service was read.

The church chancel was decorated with flowers and candles, the latter being lighted by the bride's brothers, Michael and James.

Mrs. Will Barenz presided at the piano and accompanied Miss Monica Fosse of Ottawa when she sang, "I Love You Truly," "Because" and the "Wedding Day Prayer."

Mr. Werner escorted his daughter to the altar. She wore a gown of imported French Chantilly lace over white satin. The round neckline was trimmed with pearls and sequins. Her fingertip veil was caught with a headpiece of white satin trimmed with pearls and sequins. She carried a white orchid and stephanotis on a white Bible.

Mrs. Robert Cupp served her sister as matron of honor. She wore a ballerina length shrimp colored gown of crystallette with a matching headpiece, and carried a cascade bouquet of white carnations. Her earrings were a gift from the bride.

The bridesmaids, all classmates of the bride in the School of Nursing in Silver Cross hospital were, Doris Cummons, Mokena; Alice Spangler, Lockport

and Janet Camper, Rock Falls. They wore gowns identical to that of the matron of honor.

The groom was attended by his brother, Arthur and Robert Cupp, Paul Jeffords and George Peacock, all of Tinley Park.

Mrs. Werner chose for her daughter's wedding a gown of navy blue shantung with powder blue accessories. Her corsage was blue carnations.

The groom's mother wore a toast colored lace dress with pink accessories and a corsage of pink carnations.

Also present were the bride's grandparents, Mr. and Mrs. W. D. Roberts of Mokena.

Following the ceremony a reception was held in the VFW hall which was attended by 300 friends and relatives.

Serving the wedding cake were Mrs. Ray Walsh and Mrs. John Ellis. Mrs. Paul Jeffords and Mrs. Carol Roberts presided at the coffee urn. Miss Carrie Roberts at the bride's table and Mrs. Wayne Ryder, the guest book.

The bridal table was decorated with crescents of flowers, a four tiered wedding cake and an anniversary candle.

The young couple enjoyed an auto trip to the Ozarks and have now gone to housekeeping at 311 Youngs ave., Joliet.

The bride graduated from the Joliet Township high school and is in the senior class of nursing in Silver Cross hospital.

The groom who graduated from the Thornton township high school is employed by the C&W railroad at the Dearborn Street station, Chicago, as a ticket inspector.

Royal Neighbors Make Early Plans To Honor Mothers

Oracle Lottie Rasmussen presided when the Royal Neighbors of America, Dew Drop camp 2023, met Tuesday evening in the American Legion hall, in Tinley Park.

Mrs. Leila Moss was appointed chairman for the membership campaign being conducted by the Supreme camp.

Plans were made to have a Mother's day party for all the members on the first Tuesday in May.

Louise Goessel, Erna Wallin and Bette Sierachi were members having birthdays this month.

The Purple group were the winners that evening in the membership contest. They had 19 members present.

Violet Hultsch received the evening's award. Edith Arnold, Lulu Anfield and Frieda Engle served refreshments.

VFW Aux. News

The social meeting of the Ladies Auxiliary to the Veterans of Foreign Wars, Bremen Post 2791, was held last week with Gladys Elliott presiding.

Ways and Means Chairman Ruth Rump and Kathryn May reported on the success of the recent projects at the St. Patrick's Day dance.

The monthly hospital trip was made by Gladys Elliott, Eleanor Larimore and Tillie Steinhagen. The Shamrock tray favors and hankies made by Mrs. Earl Siemson's 4-H group, and the scuffles made by Mrs. Ralph Dini's Girl Scout troop No. 268 delivered to the Hines hospital chairman were enthusiastically received. Projects of this sort do much to improve the moral of the veteran by showing them they are not forgotten, it was said.

Auxiliary members spend every third Tuesday at Hines hospital working in the escort service, or rolling bandages. Volunteering help is always needed in these departments. Anyone wishing to volunteer, may contact hospital chairman, Micheline Ewers.

Rural Youth Seeks Members

During March and April, the Will County Rural Youth organization will hold an organized membership drive throughout the county.

Ronella Holleman, president of the Rural Youth, says two teams will compete to see which team can get the largest number of members. Teams were selected according to geographical location in the county. In other words, the northern townships of the county versus the southern. The "Yanks" matched against the "Rebels".

The team which enrolls the largest number of new members will be treated to a party held by the losing team. Results are to be made public at the April 11th meeting at Manhattan's Sportsmen's hall.

Bill Klier, vice president, by virtue of his office is chairman of the membership drive.

Any rural boy or girl 18 to 28 years of age is eligible to join and all who are interested can find out the details from the president by phoning Beecher 2513.

Set Dates for 4-H Fair; Pick Peotone as Site

Official confirmation has been given of the report carried in this paper earlier that the 1956 F-H fair will be held at the Will County Fair grounds at Peotone. The dates will be Aug. 1, 2 and 3.

The 4-H clubs of Will county formerly held their annual fair at Peotone until the past two years when it was transferred to Joliet and held in conjunction with the Pageant of Progress there.

The 4-Hers were reported as not too happy with the Pageant set up, particularly with the fact that the livestock had to be kept in tents. The heat was a serious problem and several animals died as a result of it last year.

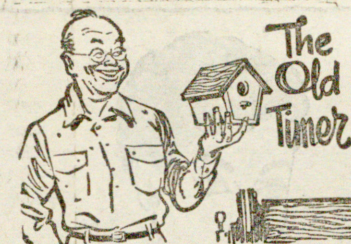

Since the Pageant of Progress is not scheduled for this year, the 4-H group decided to go back on their own. The question

of where to hold the 4-H fair has been discussed for several months and finally has been resolved with the show going to Peotone.

What the group would really like, of course, is to have its own grounds and buildings.

A meeting of 4-H superintendents was held last week to set up the judging schedule and revised rules will be sent to all 4-H members.

CARD OF THANKS

We want to extend our sincere thanks and deep appreciation to all our wonderful neighbors, friends and relatives, especially our neighbors, Mrs. Edward Akers and Mrs. Robert DeForest, for their kindnesses extended to us at the time of the death of our wife and mother; also to the Rev. William Riemann, Oliver Keisler and Mrs. Donald Maue for their comforting service; for the beautiful floral and memorial offerings. GEO. WARNING AND FAMILY

IN MEMORIAM

MEER, Minnie E. In loving memory of our mother who passed away two years ago, March 28.

In memory of a daily thought. In our hearts a silent sorrow. SON WALDO and DOROTHY

IN MEMORIAM

SOERSEN, Mira. In loving memory of our dear wife, mother and grandmother who passed away five years ago March 30, 1931.

Many a lonely heartache. Often a silent tear. But always a beautiful memory Of the one we loved so well. HUSBAND, DAUGHTERS and SON and GRANDCHILDREN.

A miscellaneous surprise shower was given in honor of Miss Doris Schults by Miss Doris Cooper and Miss Marilyn Hohenstein Sunday, March 11 in the home of Miss Cooper in Orland Park. Thirty six guests were present who came from Orland Park, Tinley Park, Frankfort and Mokena and Worth. The table and cart, which was filled with gifts, were decorated in rainbow colors being the chosen colors of the bride elect. She received many beautiful gifts. Later a delicious luncheon was served. Miss Schults will become the bride of Glenn Immekus of Mokena April 14.

Mrs. Robert Niemann of Mokena was hostess in her home March 20 to the Mokena-Frankfort Home Bureau unit with 13 members. Mrs. Gordon Spiess of Mokena was a guest.

Mrs. Robert Schweizer reported on 4H activities. Frankfort now has 34 4H members. Miss Vivian Eisenbrandt has been named a Junior leader of the club.

"Splinters from the board," a report from the County Board was read by Mrs. Niemann.

Mrs. Ruth Mozzi, home adviser, gave the Major lesson on clothes for the homemaker's job. Quick bread mixes and muffins.

Business and Finance

by Maurice Angland

One of the time-honored investment principles, which has come down to us unaltered, is contained in a statement made in 1830 by Samuel Putnam. Justice of the Massachusetts Supreme Judicial Court. In an historic decision, Judge Putnam said: "All that can be required of a Trustee to invest is that he shall conduct himself faithfully, and exercise a sound discretion. He is to observe how men of prudence, discretion and intelligence manage their own affairs, not in regard to speculation, but in regard to the permanent disposition of their funds, considering the probable income, as well as the probable safety of the capital invested."

That is what is known to lawyers and bankers as the "Prudent Man" principle, which has been incorporated in the laws of most states. It is applicable in spirit, if not in law, to the individual investor. The constant erosion of the purchasing power of the dollar, has made the Trustee's duties much heavier than in earlier years as he must try to secure reasonable income from investments as well as protect the purchasing power of the principal. This is very difficult with investment only in "fixed dollar" obligations such as mortgages, savings accounts, bonds etc. Many states now permit, by law, the investment of Trust Funds in common stocks of the leading American industries and large foundations such as that of Harvard University, have substantial common stock holdings.

When Judge Putnam handed down his famous decision, the United States and particularly its economy were fairly simple. We were a comparatively new nation which was just beginning to give promise of future greatness. The lives of U. S. citizens, except in a minor way, were not tied to developments on the other side of the world nor influenced by decisions made in far-off capitals. The need for "prudence, discretion and intelligence" existed, of course, but in investment matters the requirement of such attributes was a matter of only narrow interest.

Things have changed materially since then. There are, for one thing, many millions more investors, owning shares in U. S. private enterprise. The nation is the world's leader and the U. S. Citizen in Chicago, New York or Mokena can be vitally affected by decisions made in London, Geneva, Moscow, Peking and on the banks of some obscure river in Indo-China.

In short, the world is a complex place in which to live—and to invest. Today's investor may well take Judge Putnam's advice and observe "men of prudence, discretion, and intelligence" just as he cautioned Trustees in his day. Oddly enough, "observing" such men today is a lot easier for the average investor, since there has sprung up in comparatively recent times a whole fraternity of professionally trained men, whose main purpose in life is to help the investor make the right decisions for himself and his family. The small investor with only a few hundred dollars to invest, now has, thru Mutual Funds, continuous professional investment management that formerly was available only to the very wealthy. A substantial portion of funds invested in Mutual Funds, are owned by large investors, banks, and endowed institutions etc.

A sign of the growth of barge movement of coal is found in the fact that 29 electric utilities operate 85 coal docks on America's inland waterways, the Great Lakes and in port areas.

Schools Reflect Community Aims Says Bottino

The type of schools a community has depends upon its demands and expectations. Louis P. Bottino told members of the Mokena Civic association at its meeting last week.

Mr. Bottino is superintendent of the Lockport high school, former Will county superintendent of schools and previous to that was principal of the Reed-Custer township high school at Braidwood, where he was also basketball coach and one of his teams went to the state finals in the annual prep tourney at Urbana-Champaign. He is now a candidate for state representative on the Republican ticket for the Will county district.

Bottino spoke here on the invitation of the Civic Association and was introduced by Attorney Raymond Hoolehan. Mr. Bottino did not discuss politics but confined his talk to schools and the problems facing educational authorities today as enrollments rise and revenues fail to keep pace with the need for expanding school plants and employing more teachers.

He pointed out that good schools attracted industry to an area. Industry is no longer satisfied when picking young employees that they just have a high school diploma. Bottino said, but want them to have been good students, in a good school. Industrial and business personnel staffs scrutinize school records more closely than people realize, Bottino said. Attendance is a big factor, he said, because from that a future employer gets an insight as to what he may expect in the work habits of an employee. Whether or not a student has been cooperative is also noted, as well as his industry, integrity and scholastic standing.

One leading expert has predicted that steel mills and electric utilities will use 272 million tons of coal in 1956, compared with only 205 million tons as recently as 1954.

Laguna Woods

Mrs. Robert Anderson
Fieldbrook 9-2857

Sunday afternoons in Laguna are interesting for the local residents as many friends and neighbors "drop in" for coffee, (coffee time is whatever time "folks" arrive.) March 18, Mr. and Mrs. William Murphy of Park Forest stopped at the Robert Andersons to leave their plans for the new ranch type home they plan to build on Redondo road. The Murphys formerly lived in Detroit, Mich. and are hoping to be settled in their home in Laguna by September. The Murphys and Andersons met while the latter were building their home on Redondo and the Murphys were looking for a lot.

Mr. and Mrs. M. Haggie of Lansing, who have five children, were out to clear their lot in preparation for excavating, Mrs.

Haggie is a registered nurse and was promptly pressed into service as Mrs. Anderson's son Charles Harris was hemorrhaging from the nose and mouth due to frequent nose bleeds he has.

Sunday evening Mrs. Robert Anderson's parents, Mr. and Mrs. Robert Hunter, superintendent of the post office at 21st and State St. Chicago and Mr. and Mrs. Charles Karge, road commissioner of Bridgeview last year and residents of that township spent the evening with the Andersons. Mr. Anderson made pizza pies.

March 20, Mrs. John Tabbert held a community coffee klatch in her home. Coffee and home made graham cracker cakes were served. Her daughter Carol showed the ladies her pet parakeets, 17 birds in all, and pictures she has painted of several of them. Carol raises the birds, but is so attached to each that she wouldn't part with any. One of her birds talked so plain that everyone was able to understand what it said.

The party line was a blessing to Mrs. Anderson and Charles Tuesday morning. A doctor could not be reached and an emergency call was placed for help when a neighbor picked up her phone and inquired who was in trouble. Upon being told she came at once and was able to stop the nose bleed before a doctor was contacted. The good neighbor was Mrs. Lawrence Woodbury.

New neighbors are expected to move into the Vacca house which was sold to Mr. and Mrs. Matthew L. McBride by Cook Realty Co. Mr. McBride is a high school athletic instructor. The house proving a little small for their family, they will enclose the small porch to the left of the dining area. This has been approved by the board of directors.

Mr. and Mrs. William Snedden and two children are expected to move into their new home the first of this week. Mr. Snedden, a contractor built their lovely seven room home. Mrs. Snedden has wall to wall carpeting through out her home.

George Brown, while driving by the forest preserve recently, was flagged to a stop. The Ranger, who stopped his car, requested Mr. Brown to drive to the station and send help back. Mr. Brown noticed three young men in his custody and complied. Several days later he read in the paper where a gang of car thieves had been caught in the Forest preserve tampering with a stolen car.

Mr. and Mrs. William Donohue who have sold their home in Palos Heights, plan to start building in Laguna Woods soon. Mr. Donohue has returned to his home in the Heights after a six week's business trip to Syracuse New York. Mrs. Donohue joined her husband in Syracuse on the fifth week and they attended several social activities together while staying at the Conrad Hilton hotel. The Donohues arrived at the airport Saturday morning and drove out to see the Andersons and take another look at their lot on 159th street. The Donohues have a show dog, it is a German short haired pointer. Mrs. Donohue showed the dog in Marior, Ind. Feb. 19 and it won first prize in the Pointer class. This week it is to be shown at the Amphitheatre in Chicago.

Nelson Tractor company held Open House Saturday afternoon at its Joliet plant. Mr. John Nelson of Laguna Woods and James C. Nelson, his brother of Palos Park, are in partnership, and also have a place of business in Chicago. The company sells heavy construction equipment and farm machinery. Refreshments were served.

music teacher in Taft school since 1949 and had instructed in different schools for 30 years.

Rev. and Mrs. A. E. Talbert and children of Huntley called on several Homer people Thursday. They were dinner guests in the John Hollister home in the evening.

Mr. and Mrs. C. G. Rowley entertained at dinner Saturday in honor of her birthday anniversary. The guests included her sisters and brothers in law. In the evening 19 of their family, which included children, grandchildren and great grandchildren, spent the evening in the Rowley home.

Walter Boyce is spending the Easter holidays at his home here. He is a student at Blackburn college.

Please have your scrap paper ready when the members of the Pilgrim Fellowship have their drive Saturday, April 7. To be sure of their stopping at your place, notify one of these young people that you have paper.

Harvey Ray Myers of Lockport twp. who has lived in the New Lenox-Homer-Lockport area for many years, died in Silver Cross hospital Friday morning following surgery.

Funeral services were at the Goodale Funeral Home Monday pm. with the Rev. Kenneth Yoeman officiating. Burial was in Oakwood cemetery.

Born in Joliet, June 12, 1881, he has lived in this area for

36 years. He was a member of Mt. Joliet Lodge, AF and AM, and of the Farm Bureau. He is survived by three daughters, Mrs. John (Edna) Debra of Joliet; Mrs. Gladys Johnson and Mrs. Faye Bush of Lockport; and by four grandchildren. His wife, the late Maude (nee White) preceded him in death a few years ago.

Growing Old... to serve you better

Rock Island

Ever since the first ROCKET chugged bravely over the midwest prairies, 104 years ago, the Rock Island has been doing a 24-hour-a-day transportation job for its patrons.

And it has never stopped growing—growing in the sense that it is constantly improving service and facilities.

This growth means many things. To shippers it could mean covered hoppers... or damage-free cars... or those mighty, mobile power plants, the ROCKET FREIGHTS... or perhaps the Convert-a-Frate cars, soon to come.

To travelers it certainly would mean Rock Island's fleet of modern, light-weight ROCKETS, including the famous Golden State (Chicago-Los Angeles)... and it could mean the new Jet Rocket now in service between Chicago and Peoria.

It also means a capable personnel, those willing-to-serve Rock Island representatives who consider it a privilege to help you with your shipping or travel problems.

Dismisses Charges Against Mrs. Treash

The case against Mrs. Ruby Treash, of Lincoln Estates, has been dismissed by Justice of the Peace George Williams at Joliet. Mrs. Treash was arrested on a charge of disorderly conduct Sept. 19. She appeared before Williams Sept. 20, pleaded not guilty and the case was continued to Sept. 30.

No hearing was held then and the case has been continued several times. The arrest was made on a warrant obtained by Mrs. Cora Nikowski, operator of the Hut restaurant of Lincoln Estates. Mrs. Treash appeared before Justice of the Peace Williams on Tuesday of this week, accompanied by her attorney, Le Roy Rayson, of Tinley Park. Rayson contended the warrant was invalid and Williams dismissed the case.

68 Report for Track at L-W

L-W Baseball Team Will Open Season Against Catholic High

Coach Joel Lashmet of Lincoln-Way has hopes of a pretty fair season this year for the school's baseball team. He has most of his last year's squad back and the experience gained last spring should stand them in good stead this year.

Lincoln-Way is to inaugurate its 1956 season—weather permitting—Tuesday at Catholic High in Joliet. The conference season will open next Thursday, April 5, at Evergreen Park. Forty-eight boys reported for practice, 10 of them members of last year's squad, according to Coach Jonas Lashmet. He hasn't had time yet to pick a squad. Monday was the first day they had a chance to work out of doors and while Tuesday was windy they could get out but yesterday's weather was too rough. Rains Tuesday night and yesterday morning left the ground too wet for baseball and Lashmet had to return his charges to the gym.

But he says he has a number of boys who have looked good in practice. Among the pitching prospects are Dave Zechlin, Denny Wheeler, Bill Harris, Ron Studnicki and Richard Bailey.

Lashmet also has four possible catchers, Bill He'drich, Delbert Yunker, Ed Woodward and Jerry Dusek. Lill Dusek is listed among the infield talent that may find berths on the varsity; others are Mark Schellenberg, Ron Fredin, Allan Magar and Jerry Moede.

Prospects for the outfield include, Ron Hughes, Don Carter, Paul Landahl, Bob Hughes, Dave Donaldson and Jim Gast.

The 1956 baseball schedule follows:

April 3 - At Catholic High
April 5 - At Evergreen
April 9 - Bremen Here
April 12 - At Rich
April 16 - At Sandburg
April 19 - Oak Lawn Here
April 23 - Open
April 26 - Reavis Here
April 29 - Evergreen Here
May 3 - At Bremen
May 10 - Sandburg Here
May 21 - At Oak Lawn
May 24 - Open
May 28 - At Reavis

Pick Morris Wade For Berth on 4th All-Star Quintet

Morris Wade, a member of the Lincoln-Way basketball team this past season, was named on the fourth all-star team of the Joliet area. The selections were made by Don Merwin, sports editor of the Joliet Herald News, with the cooperation of the coaches.

Members of the first team included three repeaters from the 1955 squad, Don McGann, Joliet Catholic high; Gerry Keigher, Joliet township; Gene Mullins, Reed-Custer at Braidwood. The other three members—six were chosen, Joliet Catholic high's Paul Ruddy, Wilmington's Gene Armentrout and Harvey Johnson Plainfield.

Other members of the fourth all-star team are Gary George, Crete-Monee; Bob Hamilton, Plainfield; Dick Howard, of Wilmington and Charley Travis of Lockport.

Morris Wade is a junior and so will be available to Lincoln-Way next year. He is out again this spring for track. Wade is a pole vaulter.

Will Open Season at Lockport April 11; Rich Is 1st Conference Foe

There has been an exceptionally fine turnout for track at Lincoln-Way high school this spring.

Coach Paul LaVinn announced that 68 young men have reported for track this season and when one considers that this number is better than a fourth of the male enrollment, the statement that there was an exceptional turnout is not an exaggeration.

Weather conditions have held drills to calisthenics and loosening up exercises in the gym so LaVinn hasn't had much opportunity to see just what talent he has but he is gratified with the interest shown and describes the school's prospects as bright.

The track and field events in which prep school athletes engage are set up by the Illinois High School Association. There are the sprints, the 100, the 220 and the 440-year events. And then there are the 800, which is the half mile, and the mile; the broad and high jumps; the pole vault; the shot-out and the relays, 440 and 880 yards.

The first meet is scheduled for April 11, at Lockport. The remainder of the track schedule is as follows:

April 18, at Rich
April 19, at Bradley Relays (Tentative)
April 25 at Sandburg
May 2 at Oak Lawn
May 5 Moosehart Relays
May 9 Open - possibility of meet at Joliet
May 12 District
May 16 at Reavis
May 18 State
May 23 Conference at Reavis

Mrs. Guy Wiltsterman has returned from Silver Cross hospital, where she was confined for 6 1/2 weeks, recovering from injuries received in an automobile accident. Her small son Bruce, who was also injured in the accident, has been staying with his aunt and uncle, Mr. and Mrs. Ed Shaughnessey, and cousins, Mr. and Mrs. Ross Boothe, in Clarks Hill, Ind. since he left the hospital. He arrived home from there, the same day his mother returned from the hospital.

Miss Mary Ellen Wiltsterman, who is an eighth grade student at Mt. St. Gertrude Academy in Boulder, Colo., is home to spend the Easter holidays with her parents, returning to school April 2nd.

Mr. and Mrs. George Novak entertained in their home on Oakview ave. Saturday afternoon, at a party honoring the birthday anniversary of their daughter Susan, who was 8 years old. Games were played and prizes were awarded. Refreshments were served by Mrs. Novak assisted by Mrs. Joseph Novak, at a table decorated in keeping with Easter. A large Easter Egg Nest, filled with decorated eggs centered the table. Miniature easter baskets were used as place cards at the table. Susan received many lovely gifts and guests were members of the Brownie Scout troop 88.

They were: Donna White, Sherry Nelson, Kathy Handorf, Katherine Kinney, Sandra Bean, Sally Bell, Susan Batkin, Judy Balbinot, Shirley Osborn, Sandra Pearson, Barbara Peterson, Evelyn Scaperdin and Georgene Novak. In the evening Mr. and Mrs. Joseph Novak Jr. and son Gene, and Mr. and Mrs. Don Seivert and son Carl also came to celebrate her birthday.

An all day sewing session in Silver Cross hospital April 5 will be the project of the Women's Guild of the Grace Episcopal church of New Lenox. The cars will leave New Lenox at 10 a.m. and anyone desiring a ride may contact Mrs. Mary Morris at New Lenox 5551. Pot luck dinner will be enjoyed at noon.

Dave Waller has returned home after having been a surgical patient in Silver Cross hospital last week.

George Novak was guest at a family dinner honoring his birthday anniversary given by his wife in their home on Oakview Sunday.

Members of the Intermediate MYF met Sunday evening in the Methodist church. Hymns were led by John Warning, prayer and scripture by Mary Jane Donaldson, and the lesson was given by Judy Tomany. It was announced that there would be no meeting Easter Sunday, but that the group will meet again the evening of April 8. Sharon Vally will lead the hymn for this meeting. Lois Sluiter will have the prayer and scripture; and Kath Berlin will give the lesson. Mr. and Mrs. Henry Engel were sponsors at Sunday night's meeting.

Mrs. Kay Gougar was hostess in her home Friday night to the members of the Young Woman's club. Pinocle was played and prizes were awarded to Mrs. Emma Long, Mrs. Shirley Jensen, and Mrs. Marge Guindenzon. Dessert coffee was served. Miss Mary Jane Gougar will entertain the club in April.

The MYF (Methodist Youth Fellowship) officers and sponsors will have a Council meeting Wednesday, April 11 at 7:30 p.m. in the home of Mr. and Mrs. Henry Engel, 115 S. Cedar rd. Mr. and Mrs. Arthur Reckemer, Prairie rd., entertained at a birthday dinner at 6 o'clock Sunday honoring the first birthday anniversary of their son Mickey. Guests were the grandparents, Mr. and Mrs. Paul Passmore and son Dan of Harvey, and Mr. and Mrs. Emil Reckemer.

Plans are in progress for the annual spring dinner April 15 in St. Jude's Catholic church. Mrs. Clarence Wise and Mrs. Ray Reiter are co-chairmen. Sirloin of beef will again highlight the menu to be prepared by the ladies of the parish.

St. Jude's school Easter vacation started Tuesday at 3 p.m. and classes will be resumed again Tuesday, April 3.

St. Jude's Altar and Rosary society meeting that was to have been held March 27, was postponed to Tuesday night, April 3. Mr. and Mrs. Earl Schroeder and daughters have returned from Brownsville, Ind., where they spent several days with Mr. and Mrs. Laurel Ross and family. Mr. Schroeder and Mr. Ross were buddies in the navy.

The New Lenox Garden club met April 5 in the home of Mrs. Robert Regan with Mrs. Leon Frey and Mrs. Everett Merfeld assisting. Mrs. Dietrich of the Standard Oil Company from Joliet will be the speaker talking on By Products of Oil. Friends gathered in the home of Mrs. Octavia Pugh Saturday evening to help her celebrate her 87th birthday. Present were Mr. and Mrs. Alfred Engels, Mr. and Mrs. Tom Barrowman and son, Mr. and Mrs. Richard Egly, Mr. and Mrs. William Collatz and Miss Merry Lee Collatz. A lovely decorated cake centered the refreshment table.

The Day a Dead Man Lived

By Rev. Wilfrid Hurley
Paulist Feature Service

A dead body shook in the chill evening wind, drooping gaunt against the black sky. Jesus Christ was dead.

And where were they who had walked with Him? They were gone, scattered far and wide, thankful that their miserable lives had been spared.

And yet a few years later, these same followers, peasants and fishermen had become the

religious leaders of the world. The Apostle Peter who had denied Jesus with an oath now gave up his life for his master. And so with the others following their leader Peter. Andrew planting the faith in Greece, Thomas dying with a spear plunged into his heart, Matthias stoned and beheaded—all for Him whom they had let die alone on Calvary.

What had worked this transformation? Nothing but those words of the angel to the women at Jesus' tomb on Easter Sunday morning, "Do not be afraid. You seek Jesus of Nazareth who was crucified. HE IS RISEN."

The Apostles had been demoralized and disappointed. But now despair gave way to hope. They had been scattered like a flock of frightened sheep. But now they heard that call to arms: "He is risen." They accepted the challenge and transformed the world.

Some have tried to explain the Resurrection away, but the fact remains: Christ arose from the dead. The Apostles know this was true. It was not a theory for them, but a fact which led them to give up their lives for their risen Lord.

You cannot ignore the Resurrection. Christ stands before you alive, before his awe-struck Apostles. With flashing eyes He insists, "If you would enter into everlasting life, keep the Commandments."

And keeping His commandments is not easy in our modern world. "Ignore the Resurrection," we hear in our ears. "Give up your ideals of purity and goodness for sin and vice. Swindle and cheat in business. Do what you want with your life. Turn your eyes away from the Risen Christ."

But Christ conquered death in His Resurrection, and with His Resurrection tells you that the grave is not the end: for Him or for you. He sacrificed; He suffered; He died—but He lived again. He that was dead came to life again—and so will you.

Helibusses Seen As Solution for Crowded Roads

You'll really live differently when helibusses arrive! Commuting 50 miles to the city by helibus will be as routine as it is to drive today, say the editors of Changing Times, the Kiplinger magazine.

It is expected to be a real experience for some people in Chicago this year. And within ten years, 1,500,000 passengers will be carried annually and 286 helibus flights will be made daily over the 200 miles between New York and Washington.

You will catch your helibus at a "port" about 200 feet long by 500 feet wide. Inside the

Professor Says Typical Salesman is Working His Way Down, Not Up

The typical American salesman is working his way down the ladder of success rather than up it, according to a Northwestern university sociologist.

That is the conclusion reached by Raymond Mack, assistant professor of sociology, after a two-year study of salesmen.

The Mack study was of 1,339 men holding jobs as outside salesmen in 26 companies in 11 industries. Among popular misconceptions about the salesman which are exploded by the study are:

—That he is often a poor laborer's son who has made good in the Horatio Alger tradition and is now moving upward on the social and economic scale.

—That he is a "joiner," ever eager to belong to another luncheon club and to serve on one more committee.

—That the "salesman type" is a result of personality traits.

"If you know an outside salesman," said Mack, "the odds are against his being the son of a manual laborer. Only about one-fourth as many salesmen as would be expected proportionately come from unskilled and semi-skilled laboring families. Much less the number that would be expected if the myth of upward mobility via the occupation of salesmen were true."

Moreover, said Mack, when compared with the rest of his family on a scale of occupational prestige and income, the salesmen "rank lower than their employed wives, their fathers, their older brothers and sisters, or even their younger brothers and sisters."

As for being joiners, said Mack, nearly one-third of the salesmen studied belong to only one voluntary association and one-fourth have no membership at all.

And, said Mack, it is not necessarily true that the salesman chooses his occupation because of his personality traits. Quite likely, he said, the salesman "type" is molded in large part by the nature of the work he undertakes.

Here are some further facts which Mack turned up on the salesman:

—There are almost 1½ million of him.

—He comes overwhelmingly from white collar families of moderate size, with 2.2 brothers and sisters. He almost always marries, and his own family averages 1.3 children.

—He lacks job stability. The median length of time in present job for all salesmen in the United States is 2.2 years, said Mack. "Only one other occupation category in the census classification of the labor force is less stable than salesman, and that is migrant worker."

—He is money-oriented. He may feel that "meeting people" is rewarding, but his main interest is in money and not in the job.

—He sets financial goals which he probably can never achieve. Most salesmen, said Mack, hope for incomes which are less than one per cent of the salesmen in the country actually achieve.

—He has considerably more formal education than average. Nearly two-thirds of the salesmen studied attended college, and more than one-fourth of the total sample are college graduates. Only 100 failed to graduate from high school.

—While less than one-eighth of these salesmen have moved upward from the socio-economic position into which they were born," Mack concludes, "nearly half of them are downwardly mobile." Thus the occupation "is one of status-maintenance: a job into which are filtered the sons of proprietors, managers, and professionals who are unable to keep up with the standards set by their fathers but who maintain an outward vestige of class position by taking what is often a low salary plus a commission job to avoid the relative stigma of moving from a white collar family to manual work."

—The incomes among these men, which are heavily concentrated in the four to five thousand dollar bracket, seem to indicate that in maintaining the family position instead of moving into the crafts and trades, the salesman has gained little more than cleanliness."

Bad weather isn't likely to stop the helibus. And safety will be an advertised feature. If the engine should fail, the copter would float gently to earth because the rotor would continue to spin until the machine landed.

No matter how the operators pare it, the price of a helicopter ride, mile for mile, is more expensive today than that of an airplane ride. But operators are already reducing the cost by making the machines bigger, more efficient, more economical to operate.

Even tho the helicopter can

travel 100 miles per hour, it is not as fast as might be desired. Speed will have to be stepped up to compete, and the use of turbojet engines may pay off.

Mrs. Stuart Culp and Mrs. Roy Walker attended a meeting of the Women of the Moose at the Moose lodge in Lockport Tuesday evening. It was College of Regents night and representatives from other districts helped serve in place of the other officers in a cap and gown ceremony.

Mr. and Mrs. Roy Walker, Jimmy and Arthur, returned from Blandhills Sunday evening, where they had spent the

week end visiting her sister and family, the Rev. and Mrs. Roy Hamer. Her mother, Mrs. Garrett Cummins, who accompanied them remained to visit longer with her daughter and family, the Roy Hamers. She expects to be gone two weeks.

There will be a square dance at Maue school, Friday evening, April 6.

The Maue PTA board will meet Wednesday, April 4.

The second meeting of the 4H tractor maintenance course was held at Yunker Implement

Sales, 159th and Wolf road, on Tuesday evening, March 20. The 'A' unit learned about oil for the engine and hydraulic system

and general lubrication. The 'D' unit studied plows and learned about hitching a plow to a tractor. A demonstration was given by Arthur Maue on filling a grease gun and Ronald Kollman and Richard Meyer gave a demonstration on safety.

The next class was held at Martin Implement Sales, March 27 at 7:30 pm.

Award Winners

Miss Nancy Klepser, seventh grader, won the grand prize, a gold cup, with her free hand drawings at the Hobby show for Maue school children, sponsored by the PTA, at the school Wednesday evening, March 14.

Kay Maue was awarded the upper grade silver cup for her collection of handmade bracelets and ear rings. John Stellwagen was awarded the lower grade silver cup for his collection of horses.

Other awards made in the upper grades were: in crafts, Shirley Klepser, 7th grader, first with her crayola designs on towels; Betty Stellwagen, eighth grader, 2nd and 3rd with her pillow cases and picture paintings. In collections Billy Donovan rated first with her dolls. Joan Stellwagen, 5th grader, was second with her salt and pepper shakers, and Kay Maue, 7th grader, was third with her stamp collection.

Other awards in the lower grades were: in crafts, Barbara Strassenberg first with her American tapestry; Ronald Sons, second with his wooden cars, trains and planes and Terry Donovan, third with his plastic models of planes and cars. In collections Janice Knieriem, first grade, first with her dolls; Rodney Knieriem, 5th grade, second with his stamps and Donald Kohl placed third with his scrap book of birds. All exhibitors received participation awards.

Judges were: Mrs. Walter Fierke, Tinley Park; Mrs. Chester Williams, Alpine and Henry Hoppe, assistant Supt. of Schools for this area, who lives in Blue Island.

4H News

Two new members, Rodney Knieriem and Bob Brija, were welcomed into the Orland Boys 4H club at the regular monthly meeting in the Maue school, on Monday evening, March 19.

The meeting was called to order by the president, Don Gee, and opened with the pledge of allegiance.

Enrollment cards were given out and the names of those wishing to go to camp were taken. It was suggested the club give a roller skating party to raise money. A committee, consisting of Don Gee and Darrell Erickson, was appointed to consider the roller skating proposal.

Bob Stellwagen gave a talk and demonstration on Entomology. Ed Mrosek Jr. talked on good breeding by artificial insemination. Roy Bettenhausen talked about rabbits and Paul Johnson talked on poultry.

Several accordion solos by Paul Johnson were enjoyed. Educational movies which had been obtained through Mr. Whiteside for the meeting were shown by Arthur Maue. The meeting closed with the 4H pledge followed by refreshments served by Richard Meier and Mike Stankus.

—Walter Reeves, reporter

Cub Scouts, den 5 of pack 218 held their regular meeting in the John Cruise home Thursday afternoon. All were glad to learn that arrangements had been made for a tour of the Semper newspaper plant in Mokena, Thursday. Much of their meeting time was spent in learning to recognize birds from pictures. Following the meeting, members played ball.

The Alpine Girls 4H club met at Maue school, Wednesday evening, March 21.

Norma and Roberta Fandrey gave a demonstration on sewing. Sharon Laufer and Sandra Felsch gave a waltzing demonstration. Pamela Cripps entertained with a piano solo and Nora Holtz with an accordion solo.

Mrs. Stellwagen led the club in singing. Refreshments were served by Shirley and Irene

Klepser.

Christian Science Churches

The significance for all mankind of Christ Jesus' victory over disease and death will be emphasized at Christian Science services Sunday, April 1.

Scriptural passages regarding Jesus' crucifixion, resurrection, and ascension will be among the Bible selections to be read from the gospels of Matthew, Mark, Luke and John. "Unreality" is the Lesson-Sermon topic.

Readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following: "The resurrection of the great demonstrator of God's power was the proof of his final triumph over body and matter, and gave full evidence of divine Science, evidence so important to mortals. The belief that man has existence or mind separate from

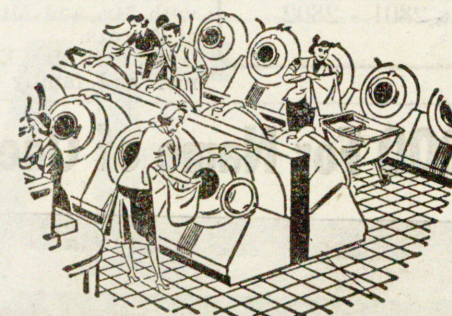

god is a dying error. This error Jesus met with divine Science and proved its nothingness". (42:15-21).

Democracy is based upon the conviction that there are extraordinary possibilities in ordinary people.—Fosdick.

V-8 WINS CLASS A

In this year's Economy Run a new Ford V-8, with Fordomatic was the official victor over every car in its field, with a winning average of 47.7643 ton-miles per gallon. This means that the sturdier, heavier Ford carried more weight, with greater gas economy per pound, than any car in its field.

This latest Ford victory was scored over a rough and rigorous 1,468.8-mile route running from Los Angeles to Colorado Springs. The winning Ford threaded its way over the tough and twisting course averaging better than 40 mph. Through the heat of Death Valley and over the chilling height of an 11,000-foot mountain peak . . . through

the gas-eating stop-and-go of city traffic and over the straight-line open road . . . Ford proved anew its traditional reputation for economical performance.

The winning Ford was a regular-production model taken right from the assembly line and officially impounded until the starter's gun sounded. It was no different than thousands of '56 Fords you see on the road and in dealers' showrooms. This proves that Ford, the Performance, Style and Safety leader, leads in Economy, too! That adds up to four big reasons why the '56 Ford is worth more when you buy it, while you drive it, and when you sell it, too!

The "ton-mile" formula is used by contest officials to insure equal chance for all cars in each class regardless of size or weight. Ton-miles per gallon equals the car weight (including passengers) in tons, multiplied by the number of miles traveled, divided by number of gallons of gasoline consumed.

A TAX CEILING OR LIMITATION — (Taken from the Congressional Record)

MR. MASON:
Mr. Speaker, one important tax reform we propose to make is to place a tax ceiling or limit of 25-per cent upon all Federal income taxes, corporation taxes, and estate taxes. Why should this be done? In 1848, over 100 years ago, Karl Marx announced a two-point program for the destruction of capitalism and the promotion of communism.

His two-point program was:

First. All estates should be confiscated thru a 100-per cent inheritance tax so that the state would eventually become sole owner of all land, buildings, factories, and business enterprises.

Second. A graduated income tax should be levied, which should increase progressively to the point of confiscation, whereupon all private initiative, private capital, and private property would cease to exist.

Mr. Speaker, under the New Deal we have traveled a long way upon the road that Karl Marx laid out. True we have not yet reached the 100-per cent confiscation of inheritances, but we do up as high as 70-per cent inheritance tax we have reached 91-per cent confiscation of all large incomes; and we now have reached a 52-per cent confiscation of corporate incomes. So, if we are to avoid government ownership and operation of all American business and industry, we must adopt a tax limitation amendment to our Constitution.

Excessively high tax rates today are drying up the streams of investment capital. Industrial expansion, the creation of more

jobs, and the production of more goods are being curtailed. American industry is now being forced to go to Washington with tin cup in hand to beg the government for the capital it needs and must have for expansion. This eventually means government supervision, government control, and government ownership. That is socialism.

Mr. Speaker, the experience of England should be a warning to us. England's heavy graduated income tax, coupled with her confiscatory inheritance taxes, forced her into government ownership and socialism. We are traveling down the self-same road. It is time to call a halt.

Our tax limitation proposal, H. J. Res. 68, seeks to establish a tentative or proposed 25-per cent ceiling upon all income taxes—except in time of war.

The question immediately arises, can the treasury stand the loss of revenues that such a tax ceiling would bring about? Judging the future by the past—and that is the only way we can judge it—the answer to that question is an emphatic "Yes". With a tax ceiling today of 25-per cent receipts, almost \$50 billion would still flow into the federal treasury—a sum

much greater than any sum ever collected by the federal government up until 1952, 3 years ago.

Monaco department: Arlene Francis, Jinx Falkenburg and Today's Mary Kelly will fly to the tiny principality to cover the Grace Kelly nuptials for NBC. Captain Kidd, one of history's notorious villains, turns hero in a new telefilm series. It will be produced in England by Douglas Fairbanks, Jr. No one has been scheduled to play the title role as yet, but it won't be Fairbanks. Reginald Gardiner, Eddie Bracken and Margaret Hayes will star in Mr. Belvedere on April 18 for 20th Century Fox Hour. If viewers give it the nod, it will be produced as a weekly series with the same cast. Looks as if Medic may have some professional competition next season. Wendell Corey is slated to play a pathologist in a series to be entitled The Probe. Mark Stevens' new production company is planning a series, The Challenge, based on Guidepost magazine stories. Dr. Norman Vincent Peale will host Dan Dailey's going to do some tilting at windmills. Desi Arnaz has signed him to star in Desilu's next feature picture, Don Quixote, to be filmed in Spain. Bob Crosby, long a daytime favorite, and Tennessee Ernie are virtually certain to have hour-long nighttime shows next season. Apparently Edgar Bergen trusts his dummies. He's adding two new ones to his cast of Do You Trust Your Wife. On the same day that NBC prexy, Robert Sarnoff, said, "TV already has progressed far beyond the slightest dependence upon (feature pictures)," CBS reportedly offered as high as \$25,000,000 for the Warner Brothers supply of old movies!

Rules of Surface Drainage

A landowner can do certain things to improve the drainage of surface waters on his land. He can:

1. Widen, deepen and clean natural depressions that carry his surface water.

2. Straighten out channels on his own land so long as he does not change the point of entry on lower land.

3. Accelerate the flow of water if in the interest of good husbandry.

4. Drain ponds or depressions in the direction they overflow.

5. Use tile for better drainage.

6. Fill up low places and force the water into channels.

7. Construct grass waterways, check dams and terraces.

There are also rules to prevent a landowner from making certain drainage changes. He must not:

1. Dam or obstruct a natural channel so as to back up surface water on a higher farm.

2. Divert water to lands that do not naturally receive his drainage.

3. Change the point of entry of surface water on lower land.

4. Bring in water from another watershed and discharge it on the lower farm.

5. Release a large body of water from a dam or pond at one time.

6. Connect tile with the neighbor's tile or with highway tile without consent.

7. Pollute any water that passes from his farm to another's lands.

Public roads are in the same position as if the road were farmland. That is, these same rules apply—with one important exception. If the highway commissioner or other highway authority can show that the roadway would be damaged by natural drainage, then these officials have a right to make changes. However, in such cases the farmer whose land is injured has a legal right to compensation for the injury.

Almost 15 million tons of coal were loaded off Newport News, Va., docks of the Chesapeake & Ohio Railway in 1955, second best coal export year in the road's history.

Make one complete round of the field to be sure you have the plow running level at the right depth before you adjust the hitch and coulters.

Are You Driving Half a Tractor?

After only one year of service a tractor can lose as much as 20% of its original power, according to authoritative sources. Think what this means if you've let your tractor go longer than that without a checkover!

It could mean your tractor is delivering only a portion of its original power... eating far more fuel than it should... making you spend longer hours in the field... and cutting your profit.

Obviously it pays to have your tractor given a frequent and thorough checkover! Let our skilled mechanics look it over. They'll clean it up... tune it up. They'll restore the power efficiency and fuel economy. They'll do only the necessary work... do it quickly, efficiently, and at a reasonable price.

Let's talk over your tractor and equipment needs. Won't you give us a call soon?
